Behavior Management Policy

It is our goal here at the Ashland YMCA Preschool Summer Camp to provide a fun, healthy, safe and secure environment for our students. The YMCA teaches core values of caring, honesty, respect, and responsibility. Children who attend this program are expected to follow the behavior guidelines and to interact appropriately in a group setting.

Behavior guidelines:

- * Children are **responsible** for their actions.
- * We **respect** each other and the environment.
- * **Honesty** will be the basis for all relationships and interactions.
- * We will **care** for ourselves and those around us.

When a child does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the child to a more appropriate behavior.
2. The child will be reminded of the behavior guidelines and will have a constructive discussion. The child may be placed in a quiet place to compose themselves and find the appropriate behavior and be removed from the activity.
3. A parent will be contacted if positive results are not gained.
4. Staff will document all behavior and the action that was taken.
5. Staff will schedule a meeting with the parent if unable to resolve the issue.
6. If at any time the child's behavior threatens the safety of that child, other children or a staff, the parent will be notified and expected to pick up the child immediately.
7. If a problem becomes persistent and the child continues to disrupt the program, the Ashland YMCA reserves the right to suspend the child from the program. Expulsion from the program will be considered in extreme situations.

I have read and understand the above stated discipline policy.
