Ashland YMCA "Y" Kids

2026/2027 Registration Packet

Thank you for your interest in the Ashland YMCA "Y" Kids before/after school program. Enclosed is important registration information. **THIS PROGRAM IS FOR K-5TH GRADE AGED CHILDREN.**

Please complete and submit your registration paperwork along with a nonrefundable \$25.00 registration fee per child for approval and acceptance by Christie Krumlaw, Child Development Director. **Registration must be returned with the packet in the form of a check or cash. The fee may be scheduled if you are doing scheduled payments and will be scheduled one week after registration is processed.** If you attend 12 months a year you do not need to pay the registration fee. The front desk will not process your registration, this needs to be done by the Child Development Director to follow state regulations properly. A Welcome email will be sent out to inform you that you are registered. Welcome emails will not be sent until on or after June 15th, once Summer Camp is underway. Communication about "Y" Kids will be mainly email so please watch your email once you have received the Welcome email and throughout the school year for updates.

To receive member rates for the program, you must have a membership or Membership for All eligibility up to date at the time of registration.

Due to high demand, we cannot prorate or accommodate other than what is listed. We cannot enroll a child that has an overdue balance at the Y.

We are planning on an eventful school year for your child while they are in our care. My hope is that you and your child have a positive experience in our program. We look forward to getting to know each and every one of you and creating memories at the Ashland YMCA "Y" Kids program.

Once this packet has been completed and processed, if you decide not to attend our "Y" Kids, a \$25 unenrollment fee will be charged if no attendance has occurred.

Any packets turned in the week of August 17th-21st will not be processed until the week of August 24th. Attendance the week of the 24th is not guaranteed.

Thank you,

Christie Krumlaw

"Y" Kids Financial Agreement

I agree to pay the YMCA of Ashland, Ohio "Y" Kids the stated amount of tuition indicated for my child's care. Tuition is due September through May. A two-week notice of withdrawal from program is required. This could be done in person or in writing. To receive the member rate, I understand that my child must be an active member. Tuition is due monthly by the first week of each month, and a late fee of \$20 will be assessed after the 10th of that month. If I participate in Fun Club Days or Delay/Early Release days, I agree that I will pay the invoice the next business day or agree to have the payment scheduled the next business day after Fun Club or Delay/Early Release Day care ends. Christmas and Spring Break will be due at the end of the week of care.

JFS Families only: If I am a JFS family I will have all proper paperwork completed before attendance begins and will keep up on my entries to receive these benefits. If I am more than 5 days behind on entries, I agree that I will self-pay for the time that has been used at the rate of \$45/day. **Parent initials**

Behavior Management Policy

It is our goal here at the YMCA of Ashland, Ohio "Y" Kids/Fun Club Day program to provide a fun, healthy, safe and secure environment for our students. The YMCA teaches core values of caring, honesty, respect, and responsibility. Children who attend this program are expected to follow the behavior guidelines and to interact appropriately in a group setting.

Behavior guidelines:

- *Children are **responsible** for their actions
- *We **respect** each other and the environment
- ***Honesty** will be the basis for relationships and interactions
- *We will **care** for ourselves and those around us

When a child does not follow the behavior guidelines we will take the following steps:

1. Staff will redirect the child to a more appropriate behavior/activity.
2. The child will be reminded of the behavior guidelines and will have a constructive discussion. The child may be placed in a quiet area to compose themselves and find the appropriate behavior and/or be removed from the activity.
3. A parent will be contacted if positive results are not gained.
4. Staff will document all behavior and the action that was taken.
5. Staff will schedule a meeting with the parent(s) if unable to resolve the issue.
6. If at any time the child's behavior threatens the safety of that child, other children or a staff member, the parent will be notified and expected to pick up the child immediately.
7. If a problem becomes persistent and the child continues to disrupt the program, the Ashland YMCA reserves the right to suspend the child from the program. Expulsion from the program will be considered only in extreme situations.

Expulsion Process

- *3 warnings will be given before a written acknowledgment is signed by staff, child and parent
- *3 written acknowledgments will result in the expulsion that will be implemented immediately with the third acknowledgment

I have read and understand the above stated discipline policy. **Parent initials**

Support Identification

To provide a supportive learning environment and promote positive behaviors, support and accommodation enable children to reach their fullest potential in a safe environment. We have identified several types of strategies that may be helpful to participants. The introduction of these strategies may impact our staff to child ratio and the well-being of all the children in attendance.

Documenting and reviewing supports identified by the parents/caregivers as they enroll their child in the program it is determined if a safe and effective learning environment can be provided, decisions will be made on the appropriate placement for each child who desires to enroll in the YMCA program.

Support Definitions

Behavioral Supports- intended to minimize challenging behaviors. These behaviors are intended to communicate and when attempting to eliminate behavior child's frustration may be magnified. Professionals need to pinpoint what is being communicated and what environmental factors are contributing to the behaviors. When it is known what is communicated and contributes to the behavior positive support can be implemented to eliminate the risk of behaviors being displayed.

Communication Supports- intended to ensure the child understands thoroughly what is expected. Each intervention must be clear and purposeful in communication through verbal, nonverbal and kinesthetic feedback. Professionals will willingly communicate expectations, requests, and acceptable behavior parameters to create motivating and safe environments. The communication the child receives will assist them in being able to sort out what is important and respond to what they hear.

Health Supports- intended to accommodate physiological well-being and function at their maximum capacity. The use of proper diet, rest, pain management and sunlight exposure is managed. Use of quiet spaces to help regain composure as well as medications and physical activity levels will be monitored to support the child.

Instructional-leadership Supports- intended to support engagement. Professionals will plan and structure predictable environments to focus on strengths and goals.

Natural Supports- intended to be support from a family member whose preferences support the child. Support occurs when there are balanced meals and there are designated areas for appropriate choices.

Organizational Supports- intended to be support given by collaborative team of professionals and care givers. An inclusive plan will be developed to support the child, and a zero-tolerance approach will be taken to implement the support.

Social Supports- intended to help the child gain social competence, become aware of social expectations, gain information through interactions and exchange feelings during an experience.

Transition Supports- intended to help the child transition from one location to another or to another program. This support can also be used to move from one activity to another within the classroom.

Universal Design and Program Supports- intended to assist in designing structures for all children regardless of ability. Barriers are minimized and access is maximized by, for example, signs and checklists to cue children. Multiple engagement opportunities are offered to include children with a range of diverse abilities and skills.
